PARENTS SURVEY
ON THE QUALITY OF EDUCATION
AT CHRIST CHURCH SCHOOL

Survey Results 2015

Dear Parent/Carer

Thank you for taking part in the survey last term. Your contribution is very valuable in getting a representative picture of your views as parents and carers.

Your collective views, as outlined below, provide us with important insights into how you believe the academy is performing and in turn provides useful guidance for future school based developments - some of which have already been incorporated in the 2015 Academy Development Plan.

You were asked to qualify your response by indicating your agreement (or not) from a selection of statements about school performance, as identified below.

As you know, our mission is to provide the very best education possible for our pupils, and we of course hope that you feel we are achieving this outcome. If you answered “agree” or “strongly agree” than it signifies your belief that we are on track. If not, then “disagree” or “strongly disagree” highlights your disappointment with school performance.

Please note the following figures:

Summary of the findings:

It is clear that the overwhelming majority of parents (95%+) are satisfied with how we are encouraging and supporting the learning of our children at Christ Church CEP Academy. In fact, when comparing figures from previous surveys it is also apparent that fewer parents/carers disagree with our policies (and how they are implemented on a day to day basis) and note the very high priority we place upon the behaviour and safety of our children and in preparing them for future challenges.
