Global Event

On Tuesday we will be

celebrating some of the amazing cultures represented in our school. There will be stalls, foods to try, performances and refreshments.

The Community building will be open from 2:30 for parents to enjoy and then will remain open until 4pm so that all the children can visit with their parents. We hope to see you there!

At the beginning and end of the day please ensure that you do not park on the zig-zag lines as this obstructs traffic and endangers our pupils.

If your child has a verruca please ensure that they have a swimming sock with them when they use the pool to prevent spread.

Parent Coffee Morning: Wednesday 8:45-9:15
