Following an exciting race to acquire the most coins for the class treasures chests the results are in....

**Well done to 4RT who earned a staggering 439 gold coins!**

Children have been earning coins by reading at home. After another swashbuckling assembly 4RT were treated to a pirate party led by Mad John Flint. Next term the competition will begin again.

Sadly 4LL came in last place with only 105 gold coins. They had to scrub the desks and tidy the rigging of 4RT's classroom while their friends had fun.
